(For further information please see the Hall of Fame section.)**

Appendix F – DISTRICT CREW GAMES GUIDELINES

During the season, and in keeping with Article II of the Constitution of District Two, there will be reasonable allowance for crews to work together. This should be done in accordance with SCFOA guidelines and under the authority of the Commissioner of Officials of the SCHSL. There should be reasonable allowance for a crew to select its own members. These guidelines are only for consideration of the Director, and only when crews are to be considered for multiple assignments.

The following are suggested guidelines for the Director/Booking Officer for **Jamboree** crew assignments within the district:

1. Crew should consist of District Two officials
2. The crews can be either 5- or 7-man crews, seven-man crews should have a veteran deep wing paired with a newer/rookie wing, this allows veterans to get exposure to 7 man crews, but 7-Man Kick mechanics shall not be used

The following are suggested guidelines for the Director/Booking Officer for **Sub-Varsity** crew assignments within the district:

1. Crew should consist of District Two officials
2. One to two members of the crew should be veteran official(s) with an SCFOA Rating of 95 or better.
3. Other crew members can be any District Two official.
4. Accommodations should be made for traveling distance so that the crew can travel together.
5. Feedback should be given to the newer officials from the veterans as to field performance when directed to do so by the Director.
6. Four- or five-man crews can be selected, and it is suggested that the crew work multiple games together.

The following are suggested guidelines for the Director to use for **Varsity** crew assignment suggestions to the SCHSL:

1. Crew should consist of District Two Officials, with limited exceptions.
2. Two or more of the crew members should be veteran officials with a SCFOA Rating of 95 or better.
3. A maximum of three crew members should be newer officials with limited varsity field experience.
4. Accommodations should be made for traveling distance so that the crew can travel together.
5. Feedback should be given to the newer officials from the veterans as to field performance with citations about specific areas for improvement and mistakes should be pointed out. Also, newer officials should be told about areas that they are doing well at.
6. Under special circumstances, an all-veteran crew can be suggested at the discretion of the Director, such as helping in the far reaches of the state to aid SCHSL in covering games with veteran crews.
7. It is suggested that the veterans on the crew work multiple games together, but newer officials may rotate on and off the crew.

The following are suggested guidelines for the Director for **Playoff** and **Championship** crew assignment suggestions to the SCHSL. (For future consideration but added to the By-Laws as suggestions)

1. Crew should consist of District Two Officials, with limited exceptions.
2. The members of the crew should be the top-rated officials at their respective positions. There should be reasonable allowance for a crew to select its own members.
3. For multiple crews the officials should be paired with others that are similarly ranked (IE... 1w/1, 2w/2, ETC...) There should be reasonable allowance for a crew to select its own members.
4. Selection of the deep wing officials should be the highest rated officials that are not already selected, but must be able, at the discretion of the Director, to work those positions.
5. If a crew from District Two is considered for Playoff or Finals selection, it is suggested that they be able to work together multiple times throughout that season.

Appendix G – DISTRICT OFFICIAL SCRIMMAGE

Prior to each season, and in keeping with Article II of the Constitution of District Two, and at the approval of the Board of Directors, District Two will have an event called the “Official Scrimmage”. This should be done in accordance with SCFOA guidelines, under the authority of the Commissioner of Official of the SCFOA and with the approval of the SCHSL. The purpose of the “Official Scrimmage” is to allow an extra game-type situation scrimmage for new officials with focused mentorship and training. This scrimmage may also be used to fund the 5th man on certain games later during a calendar season and for planning for a future “Official Scrimmage” to be held in upcoming years.

At the discretion of the Director and under the direction of the Board of Directors, a special committee may be appointed to assist with the planning of the “Official Scrimmage”. There will be one individual that will be considered the Event Coordinator. The following are guidelines for assigning positions during the event:

1. First through third year officials or officials that are changing positions should be used where possible.
2. Veteran Referees should be used with limited exceptions
3. Mentors will be assigned to cover each position for the entire scrimmage, and no other official except the mentors should coach any position during the scrimmage
4. Chain crews will be assigned using a combination of newer and veteran officials
5. The Game Clock and Play Clock will be operated by veteran officials
6. Ball Boys will be assigned using veteran officials
7. Additionally, others not assigned will be used to assist with The Gate, Ticket Sales, Team Liaisons, directions, etc...
8. The Event Coordinator will be responsible for assigning positions, with the assistance of the Director. All questions regarding operation of the event will be fielded by the Event Coordinator. If no one is so named the Director will be the Event Coordinator.

This will be treated as a Jamboree but will still officially be a scrimmage per SCHSL regulations. Official dress will be as follows:

1. Field Officials will wear a full uniform per the SCFOA Directory.
2. Mentors will wear a full uniform except they will wear a black T-shirt.
3. Chain crew members may wear their black pinstriped official’s hat.
4. It is recommended that everyone else wear an SCFOA D2 shirt and shorts/pants.

As to format the following may be used. These will be the special rules that will govern all games played. There will be three options that each contest’s head coaches must agree upon (#s 7, 8, & 9) before the contest starts.

1. JV/Varsity teams, home team and possession determined by coin toss
2. Two 10-minute quarters each game (one half of a regular game)
3. 25/40 second play clock
4. NFHS Rules
5. Two Timeouts per team per half
6. One hour between starting times, if possible
7. **OPTION:** Sub-varsity or Varsity timing rules depending on team wishes. Recommendation is for Sub-varsity timing rules.
8. **OPTION:** Kicks can either be “Live” or “Dead”. For “Live” kicks, NFHS rules govern all kicks. If “Dead” kicks are used teams may line up in the respective formation and perform the kick with no rush or return. The starting position will be 30-yard line going out for free kicks except following a safety which would be from the 50-yard line. No onside kicks will be allowed with the “Dead” kick option. Punts will be placed at the spot of a Fair Catch or the end of the kick as governed by NFHS rules, with the exception of first touching.
9. **OPTION:** Quarterbacks may be treated as Touch-Tackle or regularly, a quarterback that tucks and runs will be treated as a runner not a quarterback. Under this rule the Referee will be solely responsible for the QB.

A host school must allow SCFOA D2 to use one of their “charged admission scrimmages” for this event for admission to be charged. Admission will be charged to all spectators under the following rates.

1. 5 years old and under – FREE
2. Over 5 years old - \$5.00

Proceeds after expenses (security, facilities, etc...) may be used to fund the 5th man for certain Sub-Varsity games throughout the season up until there are insufficient funds to pay for an entire week. Anything left in this fund will be used for planning future “Official Scrimmages” or used at the Discretion of the Board of Directors.

SCFOA D2 - Seven-man Mechanics for Scrimmages and Jamborees

Seven-man crews will work under one of the two following formats to be determined by the experience of the crew and mentoring of new officials that needs to take place. The determination of which format to use will be decided by the Referee of the crew calling the contest and the Director. Once determined the format SHOULD NOT change throughout the contest to give the coaches a consistent game.

1. Modified Seven-man mechanics will be used when there is not an experienced crew or when additional new officials will be on the side lines requiring mentoring. This format should consist of the following.
 - a. Five-man mechanics for all scoring kick plays and free kicks, exception punts can use seven men to cover downfield.
 - b. The Field Judge and Side Judges have been assigned to the contest to assist with on field and off field mentoring.
 - c. During normal scrimmage plays new officials not assigned to the contest should shadow the Field Judge or Side Judge.
 - d. Coverage of deep action downfield (Pass plays and long runs) and assistance with relaying balls in and out will be the only coverage that will be provided by the Field judge or Side judge during scrimmage plays.
 - e. All counting should be performed as in the five-man crew.
 - f. Feedback from the Field Judge and Side Judge should be given to new officials with a simple critique of their performance with regards to positioning, hustle, and mechanics. Others not involved in the contest should refrain from critiquing.

2. Full SCFOA approved Seven-man mechanics can be used when there is an experienced crew consisting of veteran officials.
 - a. New officials may shadow any wing position.

SCFOA - Seven-man Mechanics points of emphasis:

1. Coverage and starting positions are changed for all of kicking game.
2. KEYS: The widest receiver should be covered by the deep wing, unless he goes in motion then the BJ takes the motion man and coverage shifts to the next receiver in.
3. Wing officials should confirm who has responsibility for the goal line.
